Dear **Christian Wenzel**,

Eden Reforestation Projects would like to thank you for your 2023 donation(s) totaling **\$625.00**.

Your support helps us facilitate restoration and community development through nature-based solutions to climate change. Because of your support, we have active restoration in Africa, Asia, and America. Together, we are achieving community benefits that include livelihoods created among underserved communities, equal employment for women, microenterprises planned and created, and more.

With your support, we work directly with local communities to restore thousands of hectares in across several nations. Our work is critical to ensuring the long-term benefits of landscape restoration of degraded areas to communities experiencing poverty and the land they depend upon. Thank you for joining us.

Kindest Regards,
The Eden Finance Department
